Hi Gina,

You can place me on call for 11/2...not a problem!

Thanks,  
Kate

Hi Della and Kate:

The above-captioned case is scheduled for trial on 11/2/2010 at BMC Central. I am wondering if I can place both of you "on call" to testify if necessary. The charge is straight possession, so I'm hopeful that the matter will resolve. If you could let me know your availability, that would be great. I am faxing over summonses to you both today as well.

Thanks,  
Gina Masotta
